

Meet Our School Eco Committee

I want to be on the Eco Committee because I want the future generations to thrive on this planet.

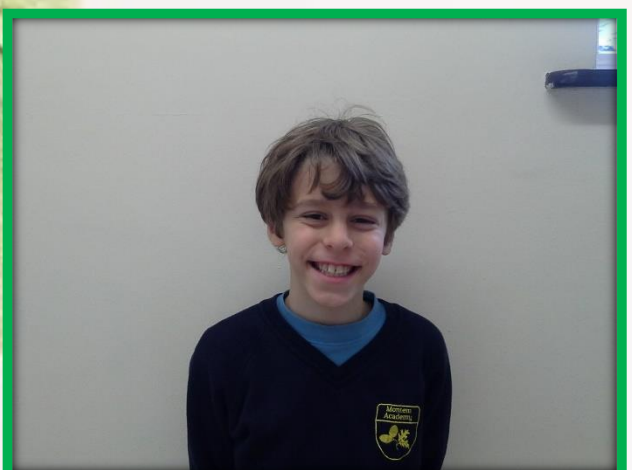

I wanted to join the Eco Committee because a few years ago, we learnt about Orangutangs. When I saw so many animals being harmed and losing their homes for other peoples foolishness. I knew that I wanted to help save the environment.

I want to be on the Eco Committee because when we learnt about ocean pollution and littering, it broke my heart. We need to shout out, so this is stopped.

I joined the Eco Committee because I care a lot about animals and want to help protect them. I also would like to help my school become more eco-friendly.

Meet Our Eco Ambassadors

Year 1

I want to care for our school and help to clean up. I want to look after the Earth because we should keep it clean for the animals and people.

Meet Our Eco Ambassadors

Year 2

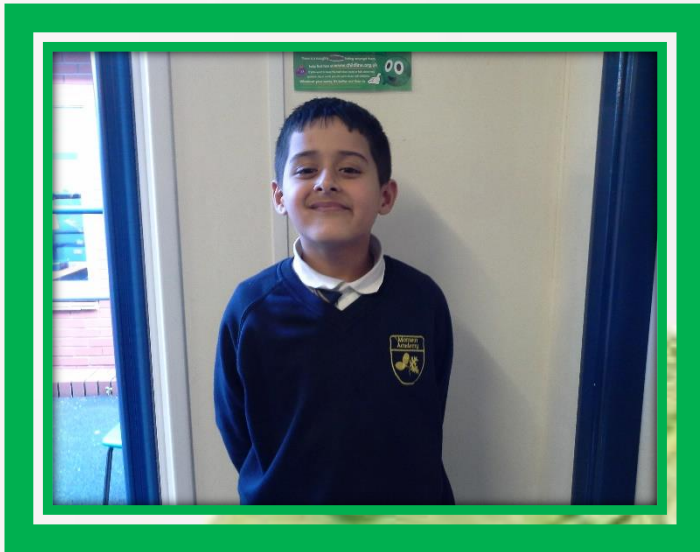

I want to be an Eco Ambassador because I want to make sure the planet is clean and help protect the planet from plastic pollution.

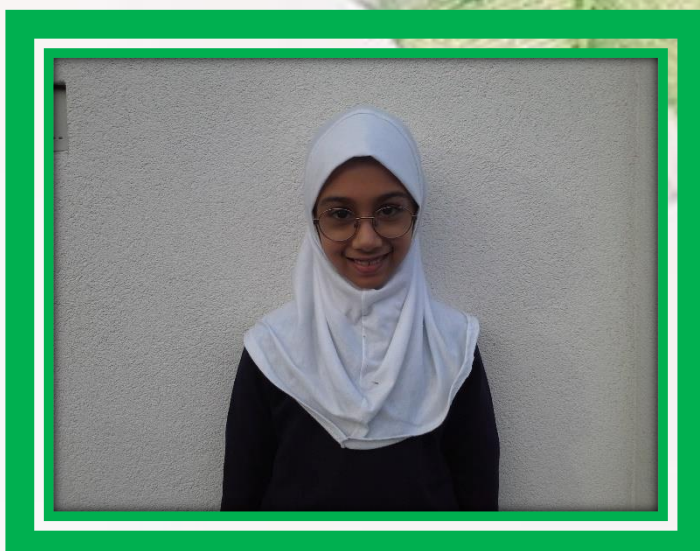

I want to be an Eco Ambassador because I can take part in making a change.

Meet Our Eco Ambassadors

Year 3

We have to stop plastic or in 2050, there will be more plastic than fish!

We can stop plastic pollution before it's too late but for that, we need to work together.

Meet Our Eco Ambassadors

Year 4

I want to be an Eco-Ambassador because I love animals. We need to stop people polluting so that sea creatures can live!

I want to be an Eco-Ambassador We need to keep the school clean and tidy to make everyone happy and healthy.

Meet Our Eco Ambassadors

Year 5

We have a passion for recycling and helping the environment. We want to make the world a better place.

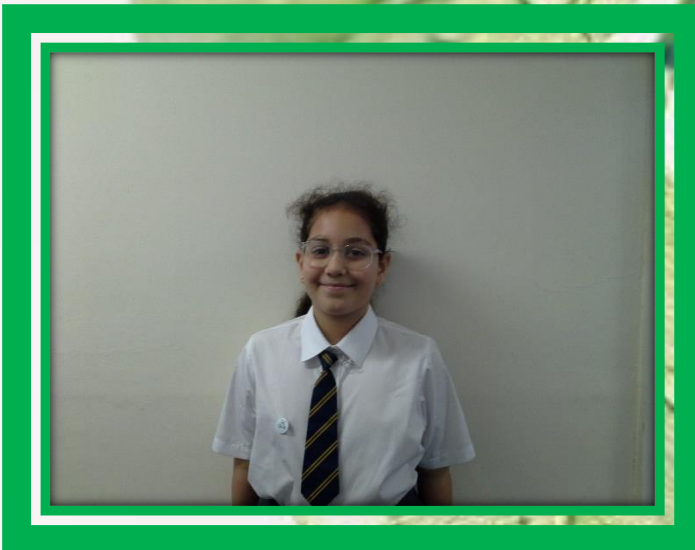

I want to be an Eco-Ambassador to speak up for and protect endangered animals from poachers.

Meet Our Eco Ambassadors

Year 6

I want to be and Eco Ambassador because it is I want to be eco-friendly to the environment. I think it is important to save electricity and help the planet last longer.

I want to be an Eco Ambassador because I care about saving energy and about recycling at Montem.

I want to be an Eco Ambassador as I think it is important that we all do something to protect the environment.
