To question, is to grow

MONTEM ACADEMY

Everyone to Excel through Pride and Ambition

2nd October 2023

Phonics Information Session

We will be offering a Phonics information session for parents on the **Wednesday 18th October** from **2:45pm – 3:30pm**.

The aim of the session is to share with you how we teach Phonics at Montem as well as the knowledge and skills your child needs to successfully prepare for the Phonics Screening Test, which will be administered in June. You will be given information about:

- 🌿 the phonics screening test;
- 🌿 how it is scored;
- 🌿 how you as a parent can help to support your child in developing their Phonics skills further to ensure they have the best chance of passing the check.

It is highly recommended that you attend this session and we trust that you will find this session both informative and beneficial in supporting your child. Please fill in the reply slip and return it to your child's class teacher by **Friday 13th October to secure your place**.

Yours sincerely

Mrs Knox

Montem Academy – Key Stage 1 Phonics Workshop
