Art club: still life sketching and painting

Dear Parent/Carers,

At Montem Academy, we are committed to providing a curriculum, which is broad and balanced, and provides our pupils with opportunities to gain essential knowledge and understanding that will enable them to flourish and reach their full potential academically, physically and artistically.

We strongly believe that learning takes place within the school and beyond. As a result, we are offering a taster art club after half term. Professional artist, Marinela Caldaru, will present this club. Marinela is an exceptionally gifted artist. She completed a BA in Arts and Design in Bucharest and was shortlisted as Artist of the Year by SAA in 2018. She also appeared on television for Landscape Artist of the Year in 2016, 2017 and 2019, organised by Sky Arts. Marinela continuously features in local newspapers and, most recently, was shortlisted for the Local Hero Award by Thames Valley Chamber of Commerce Group. She is the artistic director of Art Classes Group Slough. You can read more about her and the wonderful work she does at: <https://artclassesgroup.com/>
