

Montem Academy Eco Committee (Pupils) Meeting

Date: **5.2.23**

Present:

Hannah Samuel
 Year 1 Eco Ambassadors
 Year 2 Eco Ambassadors
 Year 3 Eco Ambassadors
 Year 4 Eco Ambassadors
 Year 5 Eco Ambassadors

Apologies: Year 6 Eco Ambassadors

Action

The Eco Ambassadors for each class and year group had a meeting to discuss what we can do better in our school to become more eco friendly. This was the first meeting with all ambassadors from all year groups.

The children gave their ideas:

- Encouraging people to pick up their litter.
- Eco Lessons and learn about information on how to save water and how to save energy.
- Planting more trees into the playground.
- Art lessons based on eco - using rubbish
- Plant in every single classroom. A tree to represent each classroom.
- We can write a diary about eco. Writing about what we do to be eco friendly. Eco friendly diary.
- Eco activity every single week like picking up litter. Planting. Watering the plants.
- More science experiments that have eco to them.
- Planting to take home.
- Planting vegetables.
- Eco Lessons. Learning about plants and picking up rubbish.
- Creating Posters for the school about eco lifestyles.
- Eco Day where we do eco activities. interesting videos. planting.
- Laptops - research what we can do to stop pollution.
- Tell everyone to make posters and eco ambassadors choose. Like a competition. Winner gets an eco certificate. All year groups.
- Use less technology.
- Getting Horses in the school.
- Eco website - with games to play.
- Live videos of picking up rubbish.

- Compost Caddies need to be collected at the end of the week and put into the compost bins.
 - Year 2 will be collected every week and put into the compost bin by the Year 1 planter outside. Mrs Bakar will be in charge of this.
 - Year 3 will be collected every week from the courtyard and put into a compost bin by the greenhouse. Mrs Barry in charge.

Teachers to organise fundraising for planting trees.

Teachers get plant for every classroom.

HS to look into Eco Day.

Eco Ambassadors to create posters for the Eco Centre Displays.

Teachers to make sure that compost bins are being emptied.

<ul style="list-style-type: none">○ Year 5 will collect every week from the playground picnic benches and put into the compost bin by the greenhouse. Miss Samuel in charge.● Bird Feed needs to be put out onto the table so that birds come.● Weekly shout out - what shall we target the week after next? The Eco Team decided that they would like to focus on the compost.● Video Next Tuesday - you will be saying that you are an eco ambassador and what your role is within the school.
