Total Spend	£14 793	As noted, we have only spent just over £14 793 of the allocated £22 840, with the remaining £8047 being 'rolled over' into the 18-19 academic year. The reason being that the sports funding does not run on a September to August continuum, but follows the traditional financial year of April to March.	

MONTEM ACADEMY

PE AND SPORTS PREMIUM OVERVIEW

2018-2019

What is the Sports Premium?

The government is providing funding of £300 million per annum to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children

What is the purpose of the grant?

Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this. This might include:

- Hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- To introduce new sports or activities and encourage more children to take up sport
- Support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- Provide resources and training courses in PE and sport for teachers
- Organise sporting competitions both in school and with other schools
- Increase pupil participation.

How have we planned to spend it?

- Children's outdoor fitness area - £12 000
- Joining the Slough School Sport Network (SSSN). This provides support for Slough schools including professional development for teachers/teaching assistants and supporting resources such as schemes of work and assessment tools; entry into all School Games and SSSN competitions and associated costs. £6500
- Additional professional development for our teachers. £200
- Providing specialist teaching for all pupils through the 'Born to Move' programme £2500
- Venue hire and resources £500
- To improve activity levels at lunch time through the purchasing of a range of stimulating and engaging playground resources. £800
